Key to Notes: -

- ☒ Hapten not recommended for pre-loading ^{GB} Present in BSCA Standard Series GB-1000 * Mix constituents available as individual haptens
 ** Emulsifier; Sorbitan Sesquiolate **** H031 & H032 have restricted shelf life & are maximum 3 hours out of the fridge
^{EU} Fragrances listed in EU Directive 2003/15/EC ☒ Plant extract ***** IQ-U & IQ-UL Chambers include reading plate & built-in filter paper for liquids
 Haptens names written in CAPITAL letters indicate that they are INCI names (INCI: International Nomenclature of Cosmetic Ingredients)

Hapten temporarily unavailable, until further notice.

For the latest version of our Order Form please email us at patch@aspirepharma.com or telephone 01565 745777 and we can email or post it .

The Chemotechnique Patch Test Products & Reference Manual is free of charge. Please email us at patch@aspirepharma.com or telephone 01565 745777 to request your copy(ies)

Instruction videos, instruction leaflets, individual hapten information sheets & MSDS and much more are available on the Chemotechnique website www.chemotechnique.se - some information requires you to log in (or contact us and we can provide you with any of the information).

Samples of the IQ Ultra Chamber or IQ Ultimate Chamber to trail are available. If you would like to discuss further, please contact us at patch@aspirepharma.com

THANK YOU FOR YOUR ORDER
